On behalf of our Gramothan Foundation, D B Kuppe Gram Panchayat has given high priority to rural and has led to the all-round development of the people. Here, our organization works towards improving the living standards of the people by implementing many projects to improve the living standards of the people.

Purpose

Our institution aims to provide free healthcare to the people in this region as these are remote villages where it's not feasible for residents to travel 40 to 50 kilometers for medical treatment. Therefore, our institution is committed to offering healthcare services at no cost, with the purpose of improving the health of the people in this area.

Facilities provided for rural development:-

From our organization, several benefits are being provided for rural development, some of which include

- Providing further education for students who have completed SSLC and PUC.
- Implementing water projects in areas essential within the village.
- Offering skill development training for self-employment, constructing toilets, and providing training for tailoring. Providing goats to self-help group members.
- Taking complete responsibility for the care of 15 elderly individuals, including providing food grains, housing, healthcare, and transportation.
- Assisting 36 single parents by providing essential amenities and ensuring the education and health of their children.
- Establishing cooperative banks specifically for women's groups, providing loans at lower interest rates, ensuring the financial stability of women."

- Conducting surveys to identify individuals in need of rehabilitation.
- Providing cows to single parents.
- Facilitating government-provided amenities through the assistance center: Aadhaar cards, ration cards, caste and income certificates, widow pensions, old age pensions, mental health schemes, etc.
- Formation of new associations.

Gramothan Co-Operative Society Limited,
Vadakanamala, D.B. Kuppe Post Office,
H.D. Kote Taluk, Mysuru District

Our institution had established cooperative banks within the D.B. Kuppe Gram Panchayat area to improve the standard of living for the people. Operations were ongoing, but when the COVID-19 pandemic hit, there was a setback. However, this year, efforts are being made to revitalize the banks by forming women's self-help groups, empowering women, and ensuring their economic stability.

- Currently, Rs. 2,00,000 out of the Rs. 5,00,000 loan has been recovered.
- Currently, Rs. 6,00,000 has been provided to women's self-help groups, along with individual loans with Rs. 4,20,000.
- A new total loan of Rs.11,20,000 has been disbursed, with Rs. 2,94,000 principal and Rs. 42,000 interest has been collected.

Our cooperative bank conducts skill development training alongside loan facilities for women, working diligently towards the development and progress of women by providing them with these opportunities.
